

7th Annual Hike Nova Scotia Provincial Summit 2018

I cordially invite you to the Seventh Annual **Hiking Nova Scotia** provincial summit to be held in beautiful Victoria County in May of 2018.

They say a hike in the woods brings about a deep sense of peace and relaxation. They say breathing in the ocean air is healing for all that ails. Welcome to Victoria County where many of our awe-inspiring hiking trails are naturally connected to spectacular ocean views. While here, please enjoy all that our county has to offer – discover our histories, challenge yourself on our world-class golf courses and, naturally, explore our great hiking trails.

Welcome hikers!

*Bruce Morrison, Warden
Municipality of Victoria County*
