Hiker Challenge

Wandering Wide Badge

At its widest the province of Nova Scotia is 130 km across. To qualify for the Wandering Wide Badge, you must log 130 km of hiking throughout NS. No, this does not need to be done in one consecutive attempt nor do you have to hike the actual width of NS, but it is a combination of all the hiking you've done throughout the year.

After you've finished your challenge, [apply to receive your badge here](#).

Badge earners will be entered into seasonal prize draws for gift certificates provided by [The Trail Shop Halifax!](#)
